CONSTITUTION

(As amended 1950, 1953, 1955, 1956)

ARTICLE I - Name (as amended March, 1955)

This Association shall be known as the St. Louis Suburban Teachers Association, a District of the Missouri State Teachers Association.

ARTICLE II - Object

The object shall be to promote a strong educational organization which shall have the following purposes: to maintain and elevate the professional and ethical standards of the teaching profession; to promote the general welfare of the membership of this Association; and to secure the public understanding, appreciation, and support necessary for a program of education that will be effective in developing mature adults who will appreciate and contribute to the democratic way of life.

ARTICLE III - Membership

Persons engaged in educational work may become active members of this Association upon the payment of annual or life membership dues.

ARTICLE IV - Officers (as amended March, 1956)

The officers of this Association shall be a President, a First Vice-President, a Second Vice-President, a Secretary, and a Treasurer. The First Vice-President elected each year shall succeed to the presidency. The newly-elected officers shall be installed at the April meeting of the Executive Committee and assume their duties on May 1.

ARTICLE V - Executive Committee (as amended March, 1956)

There shall be an Executive Committee consisting of the duly elected officers of this Association and six additional members who shall be elected for a term of three years, two being replaced each year. These members shall be installed and assume their duties with the newly-elected officers.

The retiring president shall for one year be an ex-officio member of the Executive Committee. The member of the Executive Committee of the Missouri State Teachers Association, who represents this district, shall also be an ex-officio member of the Executive Committee of this Association.

ARTICLE VI - Election (as amended March, 1956)

Section 1. Nominations for the office of First Vice-President, Second Vice-President, Secretary, and Treasurer, and the additional members of the Executive Committee shall be made by a committee of seven members of the House of Delegates appointed by the President of this Association and approved by the Executive Committee. The nominations for the members of the Executive Committee (other than the duly elected officers) shall be in a number twice the number to be elected.

The Nominating Committee shall report at the second regular meeting of the House of Delegates. Officers and committee members of this Association shall be elected at the third regular meeting of the House of Delegates. Further nominations may be made from the floor at the meeting at which nominations are presented and at the meeting at which the officers are elected.

Section 2. (As amended March, 1950) Whenever an elected or appointed official of this Association absents himself or herself from attendance at several regular called meetings without submitting to the President and Executive Committee a valid excuse, it shall be the duty of the President and the Executive Committee to declare the office vacant.

Section 3. All vacancies occurring during the term of office shall be filled by the Executive Committee, and those appointed shall serve until the next election.

ARTICLE VII - Duties of Officers

Section 1. The officers of this Association shall perform such duties and make such reports as customarily pertain to their respective offices, and shall perform such other duties as may be required herein, or may be required by resolution of the House of Delegates or the General Assembly.

Section 2. The President shall appoint all committees authorized by the Executive Committee.

Section 3. It shall be the special duty of the President, with the advice and assistance of the Executive Committee, to prepare the program of activities for the year.

Section 4. Meetings of the Executive Committee may be held at the call of the President at such time and place as designated by him. Other meetings shall be called by the President upon the written request of at least three members of the Executive Committee.

Section 5. (As amended March, 1956) The Treasurer shall make a financial accounting of all receipts and disbursements to the Executive Committee at the close of the fiscal year, April 30. A report of this accounting shall be published in the official publication of this Association and mailed to each member.

Section 6. The Executive Committee shall keep a permanent record of all its proceedings and shall present a report of its actions and recommendations to the House of Delegates.

ARTICLE VIII - House of Delegates

Section 1. The delegates elected from the Community Associations of this District to the Assembly of Delegates of the Missouri State Teachers Association shall be the delegates to the House of Delegates of this Association. They shall be elected between August 1 and October 1 of each year and shall serve until their successors are elected and their election duly certified. Certificates of Election of delegates shall be signed by the Chairman and attested by the Secretary of the Community Association and sent to the Secretary of this Association. The Executive Committee shall pass on the credentials of all delegates. An appeal from the decision of the Executive Committee may be taken to the House of Delegates, and in case of such appeal, the roll having the right to decide the appeal shall be the roll of uncontested delegates.

Section 2. The House of Delegates shall be the legislative body of this Association. It shall have the power to transact business of the Association, to enact legislation relative to the Association, and to make general regulations governing the work of the Executive Committee.

Section 3. (As amended March, 1956) The President of the Association shall call at least three regular meetings of the House of Delegates. The first regular meeting shall be called within a fifteen-day period prior to the annual meeting of the Missouri State Teachers Association. The second regular meeting shall be called at least sixty days prior to the annual spring meeting of this Association. The third regular meeting shall be called not less than five days prior to the annual meeting of this Association. Special meetings of the House of Delegates may be called by the Executive Committee. The Executive Committee shall call special meetings on a petition signed by at least ten members of the House of Delegates. The Executive Committee shall designate the time and place of all meetings of the House of Delegates.

Section 4. The President of this Association shall call all meetings of the House of Delegates to order and shall serve as its Chairman. The Secretary of this Association shall be Secretary of the House of Delegates. (Amended 1956).

Section 5. Twenty-five percent of the members of the House of Delegates from this District shall constitute a quorum for the transaction of business. In all voting in the House of Delegates each accredited delegate shall be entitled to one vote.

ARTICLE IX - Local Organization (amended March, 1956)

In the matter of local organization, this Association shall be governed, insofar as it is applicable, by the Constitution of the Missouri State Teachers Association.

ARTICLE X - Meetings

The Executive Committee shall have authority to call and make arrangements for all meetings. The annual meeting of the Association must be held on a date between March 1 and May 1.

ARTICLE XI - Dues

The annual membership dues of this Association shall be fixed by a two-thirds vote of the House of Delegates. Dues of members collected through the Local Associations shall be paid not later than October 25 to the District Treasurer, who shall be provided with appropriate bond.

ARTICLE XII - Amendments (amended March, 1956)

An amendment to this Constitution may be introduced at any meeting of the House of Delegates and acted upon at any subsequent meeting which occurs at least thirty days after the introduction of the amendment. The secretary of this Association shall inform each delegate at least seven days in advance of such meeting that the amendment is to be acted upon at that meeting. When approved by a two-thirds majority of the total number of votes cast by the House of Delegates, it shall become a part of this Constitution.

AFFILIATED ASSOCIATIONS (as amended March, 1956)

The Executive Committee shall have authority to recognize and establish subsidiary organizations which will be known as Affiliated Associations. The activities of such groups shall be within the scope of concern of the St. Louis Suburban Teachers Association, as interpreted by the Executive Committee.

All members of Affiliated Associations must be members of the Suburban Teachers Association. Names of newly-elected officers of affiliated groups must be reported to the secretary of the Association within five days after election.

The Suburban Teachers Association shall have no jurisdiction over the activities or finances of any Affiliated Association, but may give financial aid for special projects related to the professional interests of the group, if a written, explanatory application is approved in advance by the Executive Committee.

BY-LAWS for the HOUSE OF DELEGATES

A. CREDENTIALS

In addition to providing the Executive Committee with Certificates of Election of delegates as provided in Article VIII, Section 1, of the Constitution, each community association shall provide its delegates with signed credentials which must be presented, if called for, in order to gain admittance to the meeting of the House of Delegates. All delegates must be members of the St. Louis Suburban Teachers Association.

The Executive Committee may authorize other persons to attend a meeting of the House of Delegates, but only delegates representing community associations shall have the right to vote.

B. AGENDA

The Executive Committee shall prepare a proposed agenda for each meeting of the House of Delegates. This agenda shall be placed in the hands of the delegates and shall be voted upon as the first order of business. The agenda shall always include the following: minutes of the last meeting, treasurer's report, new business, and any other business or reports which the President and Executive Committee consider important.

C. RULES OF ORDER

Roberts Rules of Order shall determine the parliamentary procedures in the House of Delegates.

D. ADOPTION AND AMENDMENT OF BY-LAWS

By-Laws for the House of Delegates may be adopted or amended by a simple majority of the delegates present and voting.
